

## CAMPFIRE FLAME LIGHT

The Campfire is the newest addition to our exclusive and innovative new line of flame lights. Like the Bonfire and Inferno, the Campfire features high tech long life adjustable angle LEDs for perfect illumination, powerful fans with low noise level, low voltage safe and cost saving operation and a slim line body which becomes a protective and easy to store and transport case. No heat and no halogen bulbs to replace. The Campfire has a 13"w X 28"h flame silk with spare silk included. Just remove the cover, plug it in and create fire. Replacement flame silks available.
