

## 3.25" RAINBOW ORB

This frosty white 3.25" diameter ball has 8 color functions! Using red, green & blue LEDs, 7 separate color settings or automatic color change can be selected. Their water resistant design is a great advantage for floating in water features. The bottom has a flat edge so they won't roll away when used on flat surfaces. On the bottom is a loop for hanging or anchoring with fishing line. Approximate run time is 6 hours using 2 x CR2032 batteries (included).

- Hang them using loop on bottom
- Float them in pools, ponds, & vases
- 7 separate color settings & 1 color change mode
- Perfect for parties
- Great night light
